Dear Kathy,

Thank you for your participation as a member of the Doctoral Student/Faculty Seminar Planning Committee for the College of Education and Professional Development. Your responsibilities included Chair of the sub-committee for facilitating the creation, planning, and implementation of the seminar sessions; along with gathering the session descriptions from faculty and other presenters for the seminar handbook.

Your timely and professional accomplishment of these tasks is a testimonial to your leadership abilities and exceptional interpersonal skills. Also, your consistent attendance at the seminar planning meetings and assistance at the seminar itself strongly contributed to the success of the seminar.

Thank you for your service!
